SUBJECT: Support for Presidential Visit [REDACTED]

25X1

I would like to express my sincere thanks and appreciation to you and the other individuals from the Office of Security for the outstanding support rendered regarding the visit of the President to Headquarters on 23 June 1982. The abrupt changes in schedules and plans added additional complexities to an already difficult, demanding challenge. As you are aware, officials from the President's entourage expressed their astonishment in reaction to the manner in which your personnel accomplished their mission. In view of their extensive participation in both the planning and execution of the security aspects concerning the Presidential visit, the following individuals deserve special recognition:
